Altoona and Eau Claire are disconnected.

Altoona residents cannot safely bike to the Chippewa River and Old Abe Trails.

Eau Claire has a single, 4-mile recreational loop.

2007

Two connections are added between Altoona and Eau Claire.

Altoona adds a 2-mile Lake Rd. Trail, and the River Prairie Dr. trail.
Eau Claire adds a 4-mile Clairemont trail.

2008

Altoona closes the loops, creating
- a 10 mi Eau Claire loop,
- an 8 mile Altoona loop, and
- a 15 mile loop around both.

The Town of Washington is connected to Altoona, Eau Claire and to the State Trails.

You can help to make this plan a reality.
